Mission

The mission of the Tri-State Bible College is "Training faithful servants for tomorrow — Today," by offering a Biblically oriented program which provides for a thorough knowledge of the Bible and for the ability to use effectively the Word of God in Christian living and Christian service.

Christian living is basic to all Christian activity. The Tri-State Bible College expects each student not only to achieve academic excellence, but also to maintain a genuine Christian testimony in obedience to God. Christian living encompasses spiritual maturity, successful family living, church loyalty, and effective citizenship.

Christian service necessitates the finest Christian education. When God calls a person to serve Him in some special way, God calls that same person to prepare faithfully in order to learn the practical skills essential for the development of Christian character and the communication of Bible truths.

At the Tri-State Bible College a spiritual classroom environment provides the setting for academically and spiritually qualified teachers to guide students into meaningful learning experiences under the administration of the Holy Spirit.

The Tri-State Bible College functions independently in its organization, and the school adheres to the fundamental Bible doctrines of the Christian faith.

All associated with the Tri-State Bible College sincerely desire to glorify God by exalting the Lord Jesus Christ through the faithful ministry of the Word of God.

Position

We believe in the verbal plenary inspiration of the Old and New Testaments. The entire Bible is inerrant, complete, and authoritative.

We believe that the one God eternally exists in three equal Persons: the Father, the Son, and the Holy Spirit.

We believe that God directly created the universe as literally set forth in the book of Genesis.

We believe that Jesus Christ eternally possesses all the attributes of deity, became incarnate by being born of the virgin Mary, lived a sinless life, shed His blood on the cross to satisfy the righteous demands of the holy God against sin, arose bodily from the grave, ascended into heaven to become our High Priest, and will return.

We believe that God created man in His own image and through disobedience man fell into sin. Man is a sinner by nature and by choice.

We believe that salvation is by grace through faith in the Lord Jesus Christ who substitutionally sacrificed His life at Calvary to satisfy the justice of God and to provide a righteousness that enables sinners who believe on the Savior to be accepted by God.

We believe that the Holy Spirit regenerates, indwells, and seals all believers. He baptizes all believers into the Church, the body of Christ. The Holy Spirit controls believers who yield their lives to God in obedience to the Word of God. The Spirit of God restrains evil and reproves the world of sin, righteousness, and judgment.

We believe that a local church is a self-governing body of believers, having been baptized on a creditable basis of faith, having New Testament officers, maintaining the ordinances of believer's baptism and the Lord's Supper, voluntarily banded together for worship, edification, and evangelism.

We believe that "God's saints are preserved forever" (Ps. 37:28). We believe in the priesthood of all believers, the separation of church and state, the believer's obligations to be a responsible citizen, individual and ecclesiastical separation from apostasy, and the responsibility of all believers to live a dedicated Christian life.

We believe in the imminent, personal, and pretribulational return of Jesus Christ. We believe the just will have part in the resurrection of life and enjoy eternal fellowship with God; the ungodly will come forth unto the resurrection of damnation. After judgment, the ungodly will abide in conscious existence in the torments of eternal hell.

We believe in the literal, grammatical, historical, premillennial, dispensational method of Biblical interpretation.

We believe that the eternal purpose of God is to glorify Himself.

Program

The Curriculum at Tri-State Bible College is offered under three programs designed to meet the Christian Education needs of each individual.

The **Certificate of Biblical Studies** program provides a curriculum designed for recent high school graduates and others who wish to spend a year studying the Bible before they continue on in a chosen career, or for those students who want to meet the minimum educational requirements of a mission board. Courses include Bible Introduction, Bible Geography, Bible Interpretations, Theology, Books of the Bible, Spiritual Life and Evangelism. Students are required to complete the 32 Semester hour curriculum to earn this certificate.

The **Associate of Arts degree** program is designed for those students who want a concentrated study of Bible and theology. Specific books of the Bible are studied in this program. Theology is also required each semester. This program is an extension of the Certificate of Biblical Studies program and is appropriate for all workers in the local church. Students must complete the 64 Semester hour curriculum to receive this degree.

The **Bachelor of Arts in Bible/Theology** degree consists of a curriculum that will give the student a well-rounded education. It prepares students for the pastorate, the mission field, or a ministry in Christian education. The four year program includes three years of theology, a study of the entire Bible, and includes courses in Greek, Speech, Counseling, History, Science, Philosophy and Psychology. The student who completes the required 128 Semester hour curriculum is awarded this degree.
