

## A Servant's Heart

*Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.*

*Matthew 5:16*

Volunteers make the difference!

## *The Requirements*

To become involved in the TSBC Volunteer Program, simply fill out the necessary application form and review the check list of service areas available to you. Indicate on your application for what areas you are applying and return the application form to us. The application provides us with contact information and enables us to notify you as soon as needs arise in areas for which you have expressed a desire to serve. To receive an application, please call or drop by the college.

# The Purpose

The purpose of the TSBC Volunteer Program is to promote and develop the ministry of Tri-State Bible College. By involving Christians who have the hearts of servants, the college will strengthen its outreach in the Tri-State area.

Sending out a newsletter

We realize there are many folks looking for opportunities in which to serve the Lord. TSBC would like to help by providing various areas of service opportunities. Many Christians have talents and abilities that go virtually untapped and, as a result, their valuable potential goes unused. As a ministry, we know that God will build the college through the support of His people. Perhaps you would like to be one of many who will provide a service for the college by physically helping in some needy area?

# Areas of Opportunity

Various opportunities available at TSBC include: mass mailing assistants, library helpers, bookstore workers, carpentry helpers, electrical repair people, grounds keepers, etc. A list of suggested projects is available in the office of the Director of Volunteers. Contact the college to obtain an application and a complete list of projects.

# How it works

When you contact the school to express your interest in becoming a volunteer, we will send you an application and a list containing the various areas of opportunities for service.

Simply fill out the application and indicate what projects would be of interest to you. We will contact you to arrange a time for you to come to the college for service. If there are areas of interest not listed in the brochure where you would like to serve, just add them to the list. We will let you

know when opportunities in those areas become available.

# The Promise

When you arrive at TSBC everything you need to complete your project will be ready. We also promise that you and the service you provide will always be appreciated. It is through the servitude of people like you that TSBC will continue to grow in its ministry outreach to the surrounding Tri-State area.

Volunteers are people like you!

Periodic fellowships will be held so that volunteers can get to know each other and the college can show its appreciation in a tangible way.
