Missions Week

2018

Todd & Christie Kincaid, The Hub in Rome, Ends of the Earth Network

Todd & Christie Kincaid minister in Rome, Italy. In the past 4 years they have ministered to people from 41 different countries through the ministry of the migrant center they operate. This includes people from 7 of the 50 largest unreached people groups in the world. The ministry in Rome to migrants is centered around the ministry of the immigrant center but also targets refugee camps and college campuses. The vision of the HUB is to reach people with the gospel from among diaspora peoples, disciple them in Christ, so that discipleship movements will be birthed among the least reached people groups on the planet.

Tuesday, Sept. 11, 6 pm.

Michael & Trisha Goddard, Partners for Paraguay

Mike & Trisha co-founded a unique organization incorporated in the USA called Partners for Paraguay that seeks to partner with local churches, organizations, and individuals as they train, equip, and mobilize disciples of Jesus Christ to reach the unreached with the Gospel. They have served in Paraguay, South America since 2004, and their ministry is mobilizing and holistically empowering the national and tribal church.

Thursday, Sept. 13, 6 pm.

Jeremiah 38 Ministry

Jeremiah 38 is a missions and missions support organization helping to share the love of Christ locally and internationally. This is accomplished primarily through the sending of short-term, medically oriented mission teams who provide a much needed service to the communities that are being served by international ministry partners. This allows provision for both physical and spiritual care with the assurance that the people ministered to are connected with a biblically solid local church upon departure. Jeremiah 38 also sends mission teams to help with Vacation Bible Schools, construction assistance, or other projects to assist pastors and orphanages. Jeremiah 38 is founded on the principle of coming to the aid and assistance of fellow laborers in Christ.
