Jack Finch
President

Dear friends in Christ,

Spring is in the air! Praise God that the snow is gone and that lawns will soon be ready to cut. I see spring as a time of rebirth and growth, and we are certainly experiencing this at Tri-State Bible College. Our programs are being enhanced, our support mechanisms for students are growing, and our facility has been reorganized to better aid the work of our students, faculty, and staff.

Three of our administrative team, including myself, attended the annual ABHE (Association for Biblical Higher Education) conference last month. ABHE is our accrediting agency, which is nationally acknowledged and recognized by the United States Department of Education and the Council for Higher Education Accreditation. The conference was an excellent learning opportunity that continually sharpens our skills and keeps us up-to-date with academic, institutional, and governmental developments. It also offers us the ability to network and learn from other biblical colleges.

As I have mentioned in previous correspondence, we are currently very excited and focused on the unique opportunity to offer our students a Master's level program. This program will allow our students to further explore and develop their Bible knowledge as they prepare to serve our Lord. We are in the process of raising \$22,000 to pay the Ohio Board of Regents for their required site visit and application. I pray you will sincerely consider this opportunity to further the kingdom work accomplished by our students in the spread of the Gospel.

We earnestly focus on our statement of "Training Faithful Servants for Tomorrow – Today," and as the end approaches, I pray that God will use TSBC continually for His kingdom work. As I write this note to you, I am again thanking God for his gifts of provision through your generosity. You are part of the heart and soul of TSBC, and I truly praise His name for your encouragement and support. Please keep us in your prayers and know that you are in ours.

With very best regards,
